

Recommended Biblical Book Sources by Mary Obasi

***Organized by Topics*

*****The older the version of the books listed below, the better. If you can, always try to buy the oldest version closer to original publication date for more in depth information and less editing or politically correct additions/subtractions*****

If there is no ISBN #, that is because there are several additions printed over the years, and too many ISBN's to list.

Encyclopedias & Reference Aids
